Essay Outline

Use this handout to plan your essay. Start with your thesis and three supporting ideas. Then go back and think of some details and examples. Finally, think of a way to introduce your thesis and a way to restate it in the conclusion. If you can't think of three supporting ideas, you probably need to change your thesis.

<u>Introduction</u>		 	
Thesis			
THESIS	·	 	
1st support		 	
Details and		 	
Examples			
2 nd support		 	
Details and			
Examples		 	

<u>3rd support</u>	 	 	
Details and
