by Roger Dupuy

Introduction

This is NOT a presentation of stereotypes in your country. Instead, you are going to describe one thing that is beautiful, really beautiful in your country. You could speak about a building, a lake, mountain a town, or even a person.

That's why it is a secret because your audience may not know of this special thing. You need you use a large amount of descriptive details-try using the 4 senses of sight, sound, touch, taste to make your presentation especially rich. Talk about how you feel about your secret and beautiful place, but don't just say that you like it or love it... tell us **why** you do.
